

COVID-19 UPDATES, MESSAGES, AND STATISTICS

Dear Families and Friends,

As Covid-19 seems to become the norm, the Influenza Virus (Flu) is also on the rise and we ask that those visiting continue to adhere to the recommended guidelines when visiting 🙏.

Please note 3-ply masks are still required to be worn while in the facility. Please pay attention to the signs located in the facility and outside the resident room for any special recommendations.

We Respect that CDC has eased guidance for precautions to the general public, however the guidelines for Nursing home settings have NOT yet changed. Your vigilance in this matter definitely helps us maintain a safe environment.

*Recently, the NJ Department of Health is encouraging families, staff and residents to get the *New Bivalent Vaccine Booster*. Please watch this [Video](#) for more information!*

Your help in keeping your loved ones safe is greatly appreciated!

The safety of your loved ones is our top priority.

Please note we will post signage to announce any area which contains covid in the facility. When visiting please note these signage which includes if there is any covid numbers. We will continue to send out notices in that regard. Please note, though visitation can not be restricted we strongly urge you to follow recommended guidelines for proper PPE when visiting.

***PLEASE IF YOU HAVE ANY SYMPTOMS, KNOWN EXPOSURE OR ARE POSITIVE FOR COVID-19 OR INFLUENZA PLEASE REFRAIN FROM VISITING!**

PLEASE ADVISE US IF YOU DO BECOME POSITIVE WITHIN 14 DAYS AFTER YOUR VISIT.

SHALL YOU CHOSE TO SCHEDULE A VISIT OR HAVE GENERAL INQUIRIES PLEASE REACH OUT TO OUR RECREATION DEPARTMENT @ 732-294-3145

Any questions, please feel free to call David Klugmann, Administrator.

Thank you very much for your cooperation. We are so excited to see you!
