

COVID-19 UPDATES, MESSAGES, AND STATISTICS

---

Dear Families and Friends,

We are excited to inform you that as of April 18th, the Department of Health has deemed our county with low community levels of Covid-19. During this time, masks will be optional for its employees and visitors at Laurel Manor Healthcare & Rehabilitation Center. In the event there is an outbreak or an increase in COVID-19 community levels, we will reinstitute our mandatory masking policy. Please know we will inform you and post signage in the event of any changes in the community levels.

Please continue to check in at the front desk when visiting and continue to be mindful of any personal symptoms and/or exposure of Covid-19, Flu, and/or Norovirus. 🧐.

Please pay attention to the signs located in the facility and outside the resident rooms for any special recommendations.

\*The *Bivalent Vaccine Booster* continues to be made available at our facility. Please watch this [Video](#) for more information!\*

Your help in keeping your loved ones safe is greatly appreciated!  
The safety of your loved ones is our top priority.

**PLEASE ADVISE US IF YOU DO BECOME POSITIVE WITHIN 14 DAYS AFTER YOUR VISIT.**

Any questions, please feel free to call David Klugmann, Administrator.
